RE: Baughan v. Pelletier et als.  
C.A. No. 04-10704RWZ

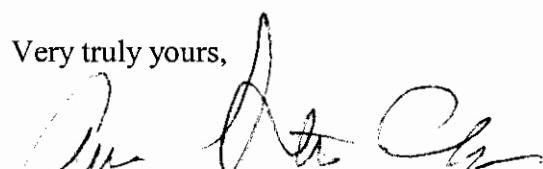

Dear Mr. Johnson,

The Defendants' Motion to Dismiss and the Plaintiff's Opposition thereto were filed with the Court by mid-November of last year.

We have been awaiting the Court's ruling since that time.

I would greatly appreciate it if the Court would apprise us of the status of the motion.

Very truly yours,

  
Andrew Stockwell-Alpert
